

Dry Erase Door Hangers

1. Paint your wood plank and allow it to dry.
2. Decorate painted plank with washi tape, as desired.
3. Peel the back off the transparent whiteboard sticker.
4. Carefully stick the sheet to your painted surface.
5. Press out any bubbles to create a smooth surface— a credit card or something similar may be helpful.
6. Tie the loose ends of the twine through the holes and knot them.
7. In the middle of the twine about a ½” down, tie a knot to form a loop at the top.
8. Slide the bead over the knot.
 - a. If the bead is too loose, double knot the loop.
